MEMORANDUM FOR: Chairman, OC ADP Committee

FROM :
Chief, Information Control Staff, OC

SUBJECT : Current and Planned Use of ADP Resources

1. The Automated Records Control Schedule (Project RECSKD) is the only current use of ADP resources by this component. We are currently entering the active records into the system and during this time we anticipate higher than normal use of ADP resources.

2. In 1977, we plan to conduct a preliminary study to determine if the OC Publications Index can be computerized.
